WASHINGTON 25, D. C.

Industry Circular No. 61-40

September 1, 1961

rec. 12, 1961

ADDITIONAL COPY OF FORM 2630

Proprietors of distilled spirits plants,
and others concerned:

This office has found it necessary to require an additional copy of Form 2630, Package Gauge Report, where packages of spirits are transferred in bond. Accordingly, a revenue procedure is being issued to require this additional copy, effective October 1, 1961.

Under the provisions of this revenue procedure you will prepare Form 2630 in quadruplicate, instead of triplicate as prescribed by current instructions, when transferring packaged spirits in bond, and will furnish the additional copy to the Government officer assigned to your plant with the Form 236, Transfer of Spirits or Denatured Spirits in Bond, covering the shipment.

The instructions on Form 236 will be revised to conform with this procedure when the form is reprinted.

Inquiries concerning this circular should refer to its number and be addressed to your assistant regional commissioner, alcohol and tobacco tax.

A handwritten signature in cursive script, reading "Dwight E. Avis".
